

around 1:30-2 pm

4/22/19 Richard Carter (SH) went to video court, stood in front of Judge Conlogue - went ~~through~~ through the rote process. Conlogue asked if there was anything else that needed to be addressed. I/m said yes, I would like to know why I've been held in SH for 2 weeks offered 2 showers, no blankets & woken up in the middle of the night to be beaten up & tased in the chest repeatedly. There were nurses & guards BOTH waiting to haul him away w/o without response from judge or closure @ all. I/m was immediately escorted away from video & back to SH.

5/4 asked Clark re: sealed inv. griev. & it — he responded to p/c give him until Sun 5/5 & he would have a response for Anielle. "Because it was in a sealed envelope NOT to Clark, he could not provide a copy or a response."

also requested resolve for grievance w/ nurse Yvonne & was told to submit a request form to medical with a req. for a response. dis so
5/10/19 I was filling out paperwork for "complaint by a prisoner" & asked M.B

for Clark's first name & names of
nurses. He said he couldn't divulge
info & I'm asked Mr. B (then) to be
guided in the right direction B was
told to "expect to your lawyer".
So she called TDS (indigent) & was
told that after 1 month she still has
no lawyer. Was told to call back @
1 - no lawyer. Call back @ end of
day.

- Asked to speak to Olson & was told she
will give you the same answer. Next
walk Arielle was told Olson was
"busy".

- So for emergency "barged", Mr. B answered
I'm demanded to see a LT or a sheriff
now please. Next walk Mr. B said he
went to get Monge but he was also busy.
11:45 Mr. B did his walk & let I'm Aldrich know
he was trying. His ?'s give clear indication
the grievance was never even logged in.
